Quality of Service for Postal Services

IDA requires Singapore Post Ltd (SingPost) to comply with the Postal Quality of Service (QoS) standards established by IDA. SingPost measures and submits to IDA, every quarterly, the performance results it achieved for the various indicators. From time to time, where feasible, the standards set are reviewed and modified to meet with the growing demand for a higher level of service to the consumers at large.

The information below is based on SingPost's quarterly submission.

Delivery of Local Basic Letters

(a) % of mail delivered by next working day (P)

IDA's requirement: % of mail delivered within CBD areas by next working day - 99%

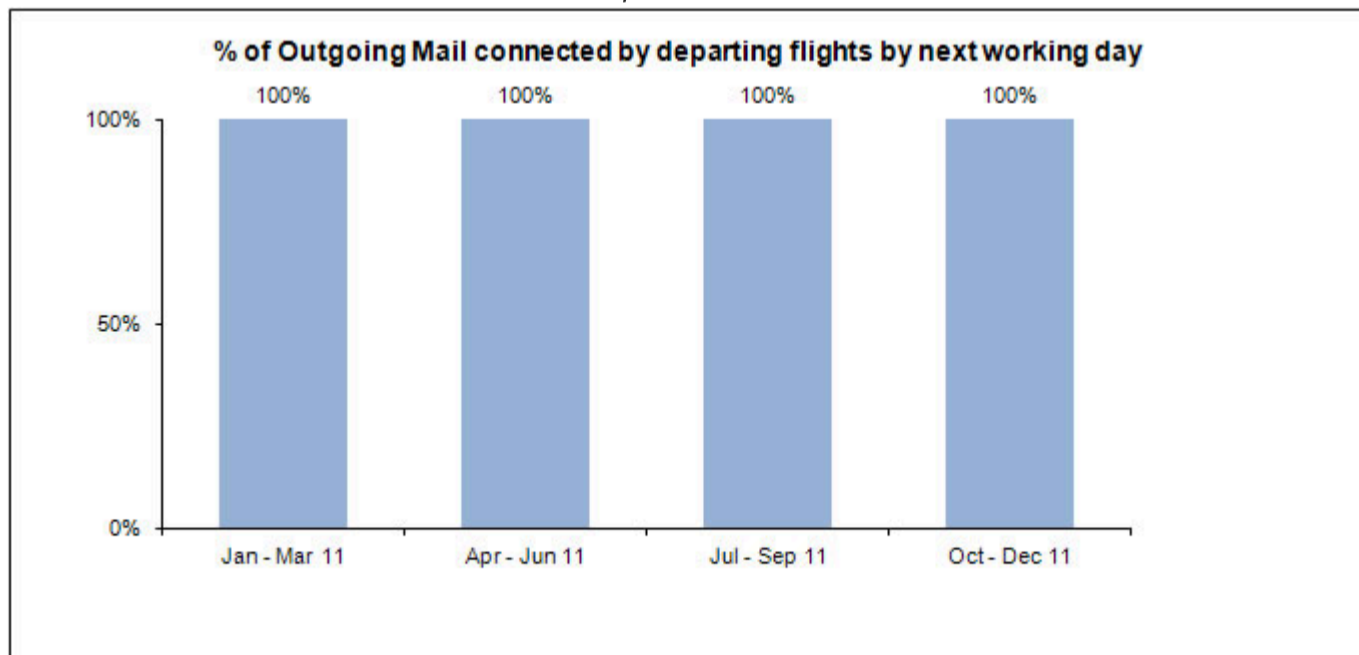

% of mail delivered outside CBD areas by next working day - 98%

Outgoing Basic Letters Despatched

(b) % of outgoing mail connected by departing flights by next working day (S)

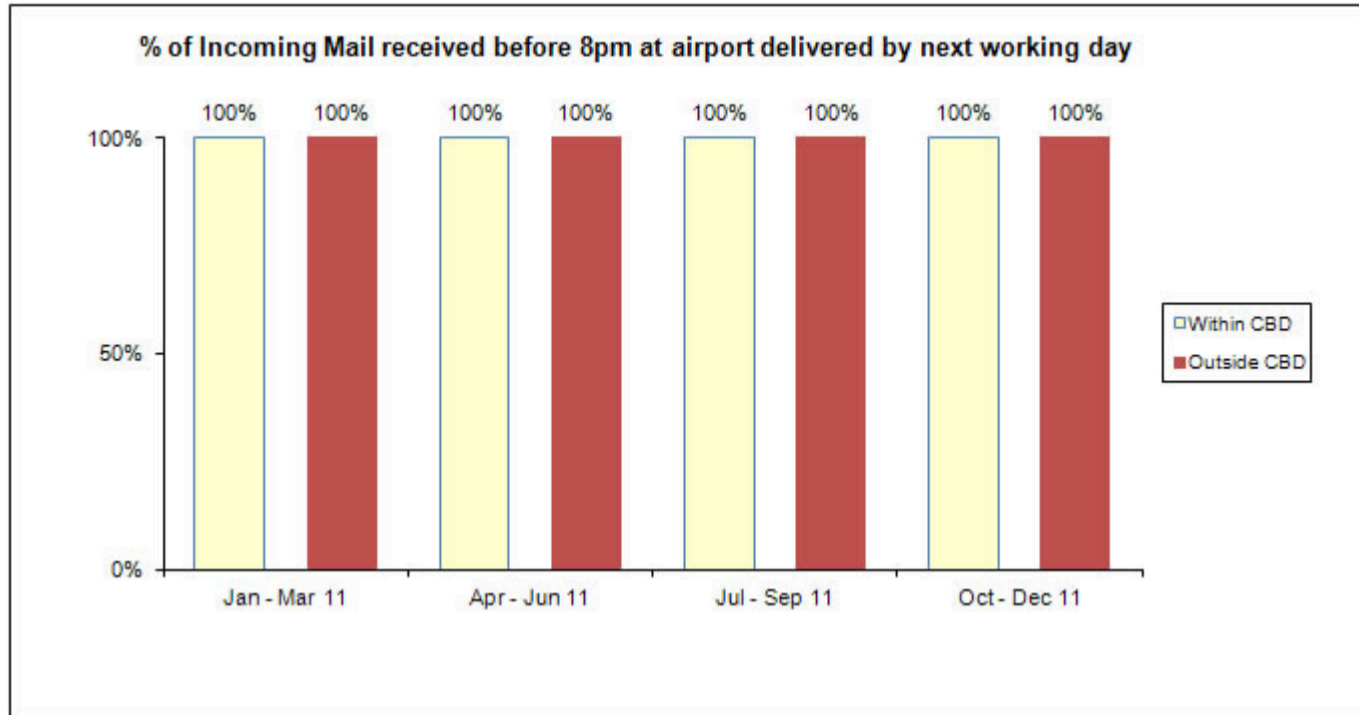

IDA's requirement: 100%
