

**Next Generation Nationwide Broadband Network (Next Gen NBN) is Singapore's nationwide ultra-high speed all-fibre network. Deployed nationwide to all homes and offices, including schools, commercial properties and hospitals, Next Gen NBN offers broadband speeds of up to 1 Gigabit per second (1Gbps). Users can enjoy a richer broadband experience over the Next Gen NBN, at prices comparable to existing connections.**

## How Do You Sign Up?

When fibre has been rolled out to your home, you can approach and sign up for Next Gen NBN fibre services with any of the Retail Service Providers (RSPs). They will arrange for the necessary equipment to be installed, and activate your Next Gen NBN connection.

## Hand-on Experience At iExperience

The Infocomm Experience Centre (iExperience) takes you on a tour to experience how Next Gen NBN can transform the way you live, work, learn and interact. Immerse yourself in a world powered by Next Gen NBN through interactive and engaging exhibits. Find out more about home networking options and solutions here.
