

Organisation Structure of Telecommunications Standards Advisory Committee (TSAC)

Note:

TSAC Telecommunications Standards Advisory Committee

WG TSAC Working Group

TFs Task Force(s)

WG4 Standardisation of open access systems (OSS/BSS) for applications has been replaced with an outcome-based approach in 2010. Hence WG4 has become inactive.

WG5 Development of IPv6 interoperability testing and security standards is subsumed under WG1 from 2015.

Membership:

Network & Service Operators
 Association(s) of Suppliers/Manufacturers
 Government Agencies
 Research Institute(s)
 Academia
 Professional Bodies
