----------------------------	--	---	-----------------------	-------------

* A six-month transition period ending 31 March 2017 has been provided for replacing the IDA Technical Specifications with the IMDA Technical Specifications, which have been issued on the IMDA website on 1 October 2016.

Recognised Testing Laboratory (“TL”) shall update their test methods to the applicable IMDA Technical Specifications shown in Annex 2 of the MRA Scheme for Designating Local TLs for Conformity Assessment; and be re-assessed by their Accreditation Body for the updated scope by 31 March 2018. The IMDA MRA Designation Scheme document is obtainable from:
<https://www.imda.gov.sg/regulations-licensing-and-consultations/international-relations/mutual-recognition-arrangements>

Testing Laboratory shall obtain ISO/IEC 17025:2017 or ISO/IEC 17025:2005 (valid until November 29, 2020) – General requirements for the competence of calibration and testing laboratories accreditation with a scope covering the applicable IMDA Technical Specifications.

Recognised TLs should note that they are required to maintain their accreditation status from the Accreditation Body, operating according to the IMDA MRA Designation Scheme.
