* A six-month transition period ending 31 March 2017 has been provided for replacing the IDA Technical Specifications with the IMDA Technical Specifications, which have been issued on the IMDA website on 1 October 2016.

Recognised Testing Laboratory ("TL") shall update their test methods to the applicable IMDA Technical Specifications shown in Annex 2 of the MRA Scheme for Designating Local TLs for Conformity Assessment; and be re-assessed by the Singapore Accreditation Council for the updated scope by 31 March 2018. The IMDA MRA Designation Scheme document is obtainable from: <https://www.imda.gov.sg/regulations-licensing-and-consultations/international-roles/testing-laboratories-and-certification-bodies-recognised-by-imda>

Recognised Singapore TLs should note that they are required to maintain their accreditation status from the Singapore Accreditation Council, operating according to the IMDA MRA Designation Scheme.

Validity of the IEC CISPR 22 has lapsed, and it shall be replaced by the CISPR 32 standard after 31 Mar 2017.
