

## **TVRO System Licence Conditions**

1. The Licensee is licenced to install and operate the TVRO System for a period of 12 months from the first day of the month in which the Licence is issued.
2. The Licensee shall pay the MDA a non-refundable licence fee of Singapore Dollars One Thousand (S\$1,000). Payment for the licence fee must be made payable to the Media Development Authority.
3. The Licensee shall only install and operate the TVRO System on the Premises.
4. The Licensee shall, in the installation and operation of the TVRO System, comply with the laws of Singapore.
5. The Licensee shall operate the TVRO System strictly for the reception of the Satellite Broadcasting Service for the purposes stated in the Licence.
6. The Licensee shall ensure that there is no infringement of copyright in any programme received via the TVRO System or in any published programme guide or other printed matter produced by the Licensee and the Licensee shall in this regard procure all necessary contents or licences from the copyright owners, or their assignees or licensees.
7. The Licensee shall be solely responsible and liable for all consequences however arising from its installation and operation of the TVRO System.
8. The Licensee shall in the installation and operation of the TVRO System, observe the provisions of the International Telecommunication Convention and any bilateral or multilateral telecommunication agreements in force and the regulations pertaining to the operation of TVRO systems that are made under to the said Convention and agreements.
9. The Licensee shall in installing and operating the TVRO System, ensure that no person (other than the Licensee, another TVRO licensee or their employees) can receive any broadcasting service received by the TVRO System, and the Licensee shall ensure that recordings made of all or any part of any broadcasting service received by the TVRO System are used by the Licensee solely for the purposes stated in the Licence.
10. The Licensee shall indemnify the MDA and the Infocomm Development Authority of Singapore ("IDA") for any loss, damage or expense arising from unauthorised reception by the Licensee of satellite transmissions.
11. Nothing in this Licence shall be construed as granting any exemption to the Licensee from obtaining such permits, licences or other authorisation as may be required under any other written law for the lawful installation and operation of the TVRO System.
12. The Licensee shall not operate the TVRO System for the purpose of telecommunications or the transmission of any broadcasting service.
13. The Licensee shall not operate the TVRO System in any manner which causes or is likely to cause interference or disturbance to the efficient or convenient operation or maintenance of any telephone, telegraph, power line, or any other broadcasting apparatus licenced by the MDA or the IDA.

14. The Licensee shall not intercept any signal, sign, writing, image, sound or intelligence of any nature transmitted which is not intended for reception by the general public.
15. The Licensee shall, within 14 days of the installation of the TVRO System, furnish the following to the Authority : -
  - diagram(s) showing the location of the TVRO System and the cable distribution system connecting the TVRO System to every TV receiver,
  - particulars of the type and model of the apparatus constituting the TVRO System, and
  - location of every TV receiver connected to the TVRO System.
16. The Licensee shall not in any way modify or alter the TVRO System or change the location of the TVRO System without the prior written approval of the Authority.
17. The Licensee shall inform the Authority in writing of any changes to the number or location of TV receivers, whether or not in the Licensee's possession, which are connected to the TVRO System.
18. The Licensee shall permit the Authority and its agents or employees or any other person authorised by the Authority at all times to enter into, inspect and view the Premises and the TVRO System.
19. The Licensee shall provide such information concerning its operation of the TVRO as the Authority may from time to time require, including the daily hours of operation of the TVRO System.
20. The Licensee shall immediately cease to operate the TVRO System if so directed by the MDA
21. The Licensee shall not sell, offer for sale or otherwise dispose of the TVRO System or any part thereof without the prior written approval of the MDA.
22. The Licensee shall not transfer, assign or otherwise dispose of the benefit of the Licence.
23. In addition to the powers conferred by the Act, the MDA may at any time modify the conditions of the Licence in such manner and impose such new conditions as it shall, in its absolute discretion, deem fit, without any compensation whatsoever.
24. In addition to the powers conferred by the Act, in the event that the Licensee has contravened any of the provisions of the Act or the regulations or the conditions of the Licence, the MDA may by written notice and without any compensation, cancel the Licence.
